

ASTI

The Asti electric fireplace is the perfect choice for fans of minimalism and modern design. It adds charm to any interior.

A fireplace complements the space in your home and sometimes serves as its focal point. It fulfils not only a decorative function but also a heating one. The rising heat brings comfort on autumn and winter evenings, creating a unique atmosphere of relaxation and tranquillity. It fills the interior with the warmth of a home fireplace. It is distinguished by its simple and hassle-free installation. It is ready to use immediately after unpacking.
